

STARLINK WIFI SYSTEM RENTAL

Stay Connected While You Work, Play, and Relax on the Lake

Reliable Signal Anywhere on the Lake

Powered by Starlink's satellite technology, enjoy fast and dependable internet in areas where cell service and traditional hotspots fall short.

Quick & Easy Setup

No technical experience needed—just plug it in, point it toward the sky, and you're online in minutes.

Stream, Work, and Stay Connected

Watch your favourite shows, work remotely, browse, or keep in touch with friends and family without interruption.

Rental Details

\$60 per night for the duration of your stay

\$1000 damage deposit

(either on your houseboat deposit or paid separately)

**Ask our team at check-in about adding Starlink
WiFi to your reservation.**
